Conflict Minerals Policy

As one of the leading tungsten enterprise in China, our business range covers from concentrate refining, APT metallurgical processing, W/WC powder producing, W pure metal producing. Xinhai Rendan Shaoguan Tungsten Co., Ltd is highly committed to offering best working environment and opportunity for the employees, providing excellent products and service to our customers, and rich return for our shareholders, Xinhai Rendan Shaoguan Tungsten Co., Ltd always dedicate to harmonious development with the society.

It is the conflict free minerals policy of Xinhai Rendan Tungsten Co., Ltd to avoid the use of conflict minerals which directly or indirectly finance or benefit armed groups in the conflict-affected regions such as Democratic Republic of Congo or adjoining countries, in line with full compliance to the Industry Code of Conduct.

In the implementation of our policies covering sourcing of raw materials, we are following the applicable OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict Affected and High Risk Areas. In summary, consistent with the OECD guide requirements for sourcing of tungsten.

Communicate our ethical and sustainable sourcing policy to our suppliers, employees, customers and investors and perform internal monitoring of our performance to these standards.

We strongly encourage all organizations involved in tungsten mining, manufacturing, or the use of tungsten products to join us in keeping conflict minerals out of our supply chain.
