TI-CMC Supporter Commitment Letter

Dear Board Members,

I am pleased to confirm that SCMG Europe GmbH fully supports the Tungsten Industry Conflict Minerals initiative.

I understand that through this initiative, covered firms certify their compliance with Securities and Exchange Commission regulations promulgated pursuant to the conflict minerals provision of the Dodd Frank Wall Street Reform and Consumer Protection Act. This, I further understand, is to ensure that Tungsten raw materials are sourced in a manner that does not support or benefit unlawful armed conflict or contribute to serious human rights abuses or violations of international humanitarian law.

SCMG Europe GmbH has a vested interest in Tungsten products and powders and, as a matter of corporate responsibility, wishes to express its interest in ensuring that Tungsten raw materials are sourced in a manner consistent with the TI-CMC initiative.

We would like to formalize our endorsement of that initiative by becoming a Supporter.

Sincerely yours

Martin Gröne
