TI-CMC Supporter Commitment Letter

Dear Board Members,

We are pleased to confirm that Plansee SE, A-6600 Reutte fully supports the Tungsten Industry - Conflict Minerals initiative. We understand that through this initiative, covered firms certify their compliance with Securities and Exchange Commission regulations promulgated pursuant to the conflict minerals provision of the Dodd-Frank Wall Street Reform and Consumer Protection Act. This, we further understand, is to ensure that tungsten raw materials are sourced in a manner that does not support or benefit unlawful armed conflict or contribute to serious human rights abuses or violations of international humanitarian law.

Plansee SE, A-6600 Reutte has a vested interest in tungsten products and powders and, as a matter of corporate responsibility, wishes to express its interest in ensuring that tungsten raw materials are sourced in a manner consistent with the TI-CMC initiative. We would like to formalize our endorsement of that initiative by becoming a Supporter.

Sincerely,

Bernhard Schretter
